Dear Friend:

We are writing to request your support. Serving Charles County since 1983, the Center for Abused Persons (CAP) is the state-designated program for providing domestic violence and sexual assault counseling in Charles County. CAP also has a telephone crisis intervention and information Hotline offering assistance for those suffering from depression, contemplating suicide or coping with the many stressful events which occur in our daily lives. We respond to thousands of calls on our Hotline each year and provide crisis intervention & ongoing counseling to hundreds of families each year.

In an effort to increase community awareness surrounding the issues of domestic violence and sexual assault, we are hosting our second annual 5k Run/Walk, Saturday April 30, 2022. We would appreciate if you would consider supporting not only the Walk, but also the services provided to adult and child victims of physical and sexual violence and others in crisis in Charles County. Specifically, we plan to use the proceeds from this event to bolster our outreach efforts to youth in the community which includes presentations on healthy relationships at county middle and high schools.

Your sponsorship will help us continue our mission to provide services to victims and to eliminate violence in our community. The people we serve may be your friends, neighbors, colleagues and even your family members.

Your generous donation will be acknowledged in our media outreach surrounding the event. Thank you in advance for your willingness to work with us to heal the emotional scars of those in need in Charles County.

Sincerely,

Annette Gilbert-Jackson
Executive Director
